Dear Parents:

The time has come to pre-register for the upcoming Fall session. Attached please find registration information. Please read all of the information carefully and note important registration dates before you come to register.

As always, it has been our goal to keep tuition as affordable as possible while continuing to offer the high quality care of a nationally accredited preschool program. We are fortunate to be able to offer you a program of such high quality while at the same time keeping tuition costs within the median range of other schools in our area. Due to the economy, we have not raised tuition prices for the upcoming school year.

The following rates will be in effect for the school year September 2010-June 2011:

* Please note - a Tues./Thurs. schedule is only available for children ages 2.6-2.11 years, enrolling in room 106 and it will only be available if there is enough interest.

**The 3 day schedule is only available to our children attending our 2.6 and 3 year old classrooms. There is not a 3 day option for our Pre-K children. The only schedule available to our Pre-K students is 5 days.

The registration fee, disaster fee and a deposit of one-half month's tuition (to be credited to June 2011) must be paid at the time of registration. Advance tuition will be held in reserve for the last two weeks of the school year or the last two weeks that your child is enrolled in our program provided your tuition account is up to date. September tuition is due in full on the first day of school. All other monthly tuition is due on the 1st of each month. Any tuition not received by the 7th of each month will accrue a \$25.00 late fee.
